August 17, 2011

Welcome to Bluestem Junior/Senior High School!

We would like to welcome each of you to another school year. We will do everything in our power to help make it a successful one, but we expect you to do your part. We ask that you work hard in class and take advantage of all the extra curricular activities that interest you. Participation in all aspects of Bluestem school life will give you a richer school experience.

We will continue to make the effort to be available at all times for our students and parents. Because we have high expectations for our students, we set high standards. Please do not be satisfied with less than your best work in every subject. Let's make a strong commitment of excellence this year! We believe that teachers, students, parents, staff, administrators, and other members of the Bluestem family must form a team effort to educate problem solving, literate, productive members of our society.

Lets have a great year!

Joel Lovesee
Principal
